

Welcome Postdoctoral Fellow!

We are pleased that you have chosen the University of Toronto for your postdoctoral fellowship. The University and the School of Graduate Studies wish you all the best in your postdoctoral experience. This letter provides you with the information you need for using a number of online services at U of T.

This letter contains the unique U of T identifier (UTORid) for **Stefan Lukits**. The UTORid is used for a range of services in the University, including e-mail, remote access to licensed library resources, campus wireless and Employee Self Service (if applicable). Please present this letter and a piece of photo identification (Canadian, government-issued photo identification or a valid passport), to the TCard Office in the Koffler Student Service Centre, 214 College Street, Room 102, where you will be issued a photo-ID card, called a T-Card, and an activation key to be used to set up your email account and your password to be used with your UTORid.

Once you have set up your U of T email please enroll in the U of T Postdoctoral Listserv. The Postdoctoral Office has created this listserv and this allows us to notify all our current University of Toronto postdoctoral fellows of changes in services and forward notices regarding awards competitions. Please note that subscription requested will only be accepted from U of T email accounts. Requests from non U of T email accounts will not be added to the listserv. To join the list please write to LISTSERV@LISTSERV.UTORONTO.CA and, in the text of your message (not the subject line), write: SUBSCRIBE POSTDOCS-L firstname lastname.

For more information on campus services available to PDFs, and for any new developments in procedure and policy visit the postdoctoral website at <https://www.sgs.utoronto.ca/postdoctoralfellows/Pages/Current-Postdocs.aspx>. Also on the website is some advice for settling in Toronto, information about the training program and information on the Green Shield Health benefit which is mandatory for all PDFs who are paid through the University of Toronto payroll (this benefit is unavailable to those PDFs who are *not* paid through the university's payroll).

Thank you!
